Affidavit of Non-Use of Beta Agonist

I certify that all of the livestock that I send to Demkota Ranch Beef have never received a Beta Agonist (i.e. Optaflexx, Zilmax or similar products.) while they have been under my control and Management. This includes cattle that I own and am having fed at other locations.

This affidavit shall remain in effect until June 30, 2024 or revoked in writing by the undersigned and is delivered to DemKota Ranch Beef .
